

# Be Green and Raise \$Green\$

Bring in empty inkjet cartridges and used cell phones.  
Get them from home, businesses, friends, and family!

## 8 Green Web Sites for Kids

1 – **The National Geographic Website for Kids:** from animals to educational games to stories and activities, this colorful, action-packed web site has it all.

<http://kids.nationalgeographic.com/kids/>

2 – **The Smithsonian National Zoological Park:** live web cams let you see what the animals are doing right now! <http://nationalzoo.si.edu/default.cfm>

3 – **KidsHealth.org** helps kids and teens understand all things health – from why we need sleep to answers for everything related to the body and mind.

<http://kidshealth.org/>

4 – **Environmental Education for Kids (EEK!):** this site, for grades 4-8, is packed with short articles and activities about animals, plants, and environmental issues.
